

COMMUNITY MEMBER SURVEY

CLEAN INDOOR AIR

Hi, my name is _____ and I'm with a program called "Engaging Youth for Positive Change" at [Name of Organization]. We are talking to people who live in the [Name of Community] community about public smoking. The interview should take no more than 5 to 10 minutes. Would you be willing to talk to me about this?

Is this a convenient time for you to talk? If no, What would be a more convenient time for you? Indicate you will come/call back at that time.

Assuming they are willing to talk with you and that this is a good time, begin the survey.

1. About how many times in a typical week do you eat at restaurants? By this I mean coffee shops, bakeries, fast food restaurants, delis, or full service restaurants, but not take-out or drive thru visits.
2. And how often do you visit bars?
3. When you are out, do you notice other people who are smoking around you?
4. How concerned are you about breathing in the cigarette smoke of people who are smoking near you? Would you say you are:

not at all concerned, somewhat concerned, or very concerned?

5. Do you think others people's smoke is harmful to you? Would you say it's:

not at all harmful, somewhat harmful, or very harmful?

6. Would the **number of times** you eat out increase, decrease, or stay the same if all places were required to be smoke free?

7. Would the **number of different places** you go to increase, decrease, or stay the same if all places were smoke free?

8. Do you ever choose a restaurant primarily because it **is smoke free**?
Never Sometimes Often Always
9. Do you ever choose a restaurant primarily because it **allows smoking**?
Never Sometimes Often Always

10. Do you think the city of [Name of City] should pass a city-wide law making all public places, including restaurants and bars smoke-free?

11. Why? [**Why not?**] (*Make sure to ask questions to understand the explanation, but not to challenge the respondent's position.*)

12. Do you smoke?

13. Those are all the questions I have, is there anything you would like to add?

Thank you for your time. We will be hosting a Community Forum to talk with the [community name] community about our project. We would be very pleased if you could join us. The forum will be at [time] on [date] at [place]. Would you think about attending? Can you think of anybody else we might want to talk to or invite to this community forum?

Thank you.
