Keg Registration

My name is _____ and I'm with a program called "Engaging Youth for Positive Change" at [Name of Organization]. Would you be willing to answer some quick questions about alcohol?

1. Do you think that underage drinking is a problem in this community?
 Not at all Slight problem Major problem *(No opinion/didn't answer)*
2. How wrong would most adults over the age of 21 in this community think it is for underage youth to drink alcohol?
 Not wrong at all A little bit wrong Wrong Very wrong *(No opinion/didn't answer)*
3. If an underage youth wanted to get some alcohol in this community, how easy would it be for that youth to get some?
 Very easy Sort of easy Sort of hard Very hard *(No opinion/didn't answer)*
4. In this community, how often do you think that adults over the age of 21 provide alcohol to underage youth via kegs at house parties or any other social gathering?
 Never Rarely Occasionally Often *(No opinion/didn't answer)*
5. In your opinion, when adults over the age of 21 use kegs to provide alcohol to underage youth, should they be able to be identified by the police?
 Yes Unsure No *(No opinion/didn't answer)*

Let me explain why keg registration is useful. One way that police can identify who provided alcohol at a given location is through the use of a keg 'tag' – or a number attached to the keg that corresponds with a form listing the buyer's name, address, and other identifying information. This form is kept at the business that sold the keg.

6. Do you think that an ordinance that requires keg registration would result in fewer youths drinking alcohol in this community?
 Yes Unsure No *(No opinion/didn't answer)*
7. Do you think that businesses that serve or sell alcohol would be affected by this ordinance?
 Yes, positively Yes, negatively No *(No opinion/didn't answer)*
8. Do you think we should have an ordinance in this community that requires keg registration?
 Yes Unsure No *(No opinion/didn't answer)*
9. Do you drink alcohol?
 Yes No *(No opinion/didn't answer)*
