

ALCOHOL RESTRICTIONS AT COMMUNITY EVENTS DATA ANALYSIS FORM FOR COMMUNITY MEMBER SURVEY

Use this data form to compile all of the information that you have collected using community member surveys. For each question on this form, you are provided with a table to organize community member survey data. *Hint: Use tally marks in the number of responses column to record the responses from each survey form.*

“Total” refers to the total number of responses for each particular question and not necessarily the total number of surveys. If someone chooses not to answer a question or has no opinion, do not include that information in the tables below.
