## COMMUNITY MEMBER SURVEY - KEG REGISTRATION

Use this data form to compile all of the information that you have collected using community member surveys. For each question on this form, you are provided with a table to organize community member survey data. *Hint: Use tally marks in the number of responses column to record the responses from each survey form.*

***“Total” refers to the total number of responses for each particular question and not necessarily the total number of surveys. If someone chooses not to answer a question or has no opinion, do not include that information in the tables below.***
