

Food Access Policies

Stakeholder Interview V. I

Hi my name is _____ and I'm a student at [school] and a participant in a program called Engaging Youth For Positive Change. We're interviewing grocery store employees and franchise owners to ask about their opinions on a resolution in support of a healthy food checkout lane. The interview takes about 15 minutes. Do you have time to answer a few questions?

Interviewee Information:

Name: _____ **Title:** _____

Phone: _____ **Email:** _____

How long have you been working with this grocery store?

Why did you choose to work with this grocery store?

How often do customers make an unplanned purchase from a checkout lane on their way out of the store?

_____ Never _____ Rarely _____ Often _____ Very often

In your experience, are the foods and beverages that are usually stocked in checkout lanes in grocery stores mostly healthy or mostly unhealthy?

____ Mostly Unhealthy ____ Mostly Healthy ____ An Equal Mix of Both

Do you think that the temptation to impulsively buy unhealthy food on the way out of a grocery store is a community health issue?

____ Yes ____ No

Please explain:

What are some of your concerns about a resolution urging grocery stores to add a healthy food checkout lane to their establishments?

Would you support a resolution urging grocery stores to add a healthy food checkout lane to their establishments?

____ Yes ____ No ____ Unsure

Please explain:

Do you think other grocery store owners and workers would support a resolution urging grocery stores to add a healthy food checkout lane to their establishments?

Yes No Unsure

Comments:

Do you have any ideas for what our group could do to help gain support among grocery store owners and workers regarding this issue?

Do you have any other comments?

Thank you for your time.
