

EYPC E-Docs Policy Review

Directions: Review your model policy and answer the following questions.

1. What is discussed under “Findings and Intent” or a similar section on the purpose of the policy? Why is it here?
2. How does the policy describe the problem it is trying to correct? Why is this important?
3. List key terms defined in the policy. Why are each of these items included in the definition section?
4. What is allowed in the policy?
5. What is prohibited in the policy?
6. Does the policy specify different things for different people, businesses, or organizations?
7. What are the consequences for violating the policy (forfeiture, civil, and/or criminal)? Are these fair?
