# EYPC E-Docs
# Ten Things to Ask: Community Expert

Directions: After your Guest Speaker finishes their presentation, answer the following questions. Ask your Guest Speaker questions that were not answered.

1. How did you become interested in community engagement?

2. Which organization did you first become involved with? Which organizations are you involved with now?

3. Do you have any leadership positions? How do you utilize your position(s) to engage with the community?

4. What are your strategies for engaging with the community?

5. What is your stance on our policy proposal? What are your strategies for discussing this policy with community members, community organizations, policy advocates, and elected officials?

# Ten Things to Ask: Community Expert

6. How do you engage with community members who oppose your beliefs and values?

7. Which community organizations and elected officials would you recommend we speak with to gather support for our policy proposal?

8. Which policies should we review in our Municipal Code/District Policies? What are key terms for our policy?

9. What are the benefits of engaging with the community?

10. How could youth become more involved in community engagement?
